Bill, I sent out requests for alternate dates based upon what I see on your calendar...And you do not have the lunch meeting scheduled for Noon on Monday, December 12, which is the community prosecution and DVI. Not sure why that doesn't appear.

Bill and Amy, I figure the prior list of available times off of which I worked the schedule is no longer valid, so I just sent out the list for new available times as though starting from scratch. Hopefully we can get it worked out.

Brona,

I hate to do this, but can you try to change the meeting on FSC set for next Friday from 12:30 - 2:00?

I MUST be at the Memphis Tomorrow board meeting at the same time. And I really need to be at the FSC meeting to discuss the scope of the proposed evaluation.

I am meeting with Bill Scollon on the evaluation issue on the morning of Friday, December 16. So, we would need to meet before then. I leave for Nashville the morning of the 15th.
